

Notification: E-tendering through eprocure.gov.in

Mumbai Railway Vikas Corporation (MRVC) Limited has been entrusted with executing various rail infrastructure projects in Mumbai Suburban sections of Central and Western Railways including projects under **MUTP-3**, such as, Quadrupling of Virar-Dahanu Road, Double line suburban corridor of Panvel-Karjet, Mid-section Trespass Control Measures in Mumbai etc. Most of the project components of MUTP-3 are World Bank Funded.

For E-tendering of various procurements funded by World Bank, MRVC has decided to use e-procurement portal of Central Government, eprocure.gov.in of Central Public Procurement Portal (CPPP). To participate in these e-tenders for World Bank funded procurements by MRVC, Firms/Contractors/Suppliers may get themselves registered on this portal.

Note: For other non World Bank funded procurement by MRVC, MRVC will continue to use e-procurement portal of Indian Railway i.e www.ireps.gov.in.
